TWO-DAY WORKSHOP ON ACADEMIC WRITING FOR RESEARCH SCHOLARS

JANUARY 10 & 11, 2024

Resource Person

**Dr Karthik Ramaswamy
Visiting Scientist
Indian Institute of Science
Bangalore**

Overview

Established under the Directorate of Research, the Centre for Training in Research Methods is dedicated to equipping research scholars with essential skills. Our primary focus is to organize workshops on research methodology, offer courses covering publication ethics, and provide consistent training in utilizing statistical tools and programs for effective data analysis and modeling methods.

Emphasizing regular engagement, our centre is committed to fostering a culture of continuous learning and development among research scholars. Explore the opportunities to enhance your research capabilities with us as we strive to contribute to the advancement of scholarly pursuits within the academic community.

RESOURCE PERSON

Dr. Karthik Ramaswamy, was an Evolutionary Biologist, currently working in IISc Bengaluru as Visiting Scientist and Science Communicator. He is the editor of “Connect”, the magazine of the Indian Institute of Science, and also teaches a course on scientific writing at the Institute.
